Dear Mr. Gustafson,

On March 13, 2019, Aetna Resources LLC notified employees at the 1600 SW 80th Terrace, Plantation, FL 33324 site that a decision had been made to close the site. The closure will be permanent.

All of the 106 affected employees will receive benefits under the Aetna Job Elimination Benefits Plan. These include nine weeks of benefits continuation, eighteen weeks of salary, receipt of subsidized COBRA rates for two months, and outplacement services. These employees may also be eligible for additional severance depending on their pay and years of service.

Below is the current schedule of job losses which are expected to result from the site closure. In accordance with the federal Worker Adjustment and Retraining Notification Act (WARN), the schedule includes a list of affected positions and the number of affected employees in each position. All affected employees received written notice of this decision on March 13, 2019. It is expected that their positions will be eliminated effective May 13, 2019. Although there are no applicable "bumping rights," affected employees are eligible to apply for open positions within the company.

If you have any questions or require additional information, please feel free to contact me directly. My office telephone numbers are stated below.

Sincerely,

A handwritten signature in black ink that reads "Juliet Palmer". The signature is written in a cursive, flowing style.
