We apologize that we were unable to provide more advance notice of the action. We are providing this notice as soon as possible in light of the rapidly-developing events surrounding COVID-19, which is now recognized as a global pandemic, natural disaster, and physical calamity. As you know, the World Health Organization recently declared a pandemic, the President of the United

States has declared a National Emergency, and the Governor of the State of Nevada has declared a State of Emergency. There are numerous government and health directives impacting our business and making it impossible to continue operations for the time being. The speed and vast impact of the coronavirus outbreak is unprecedented. After reviewing our staffing and business needs, we are providing this notice at the earliest possible time.

We are providing this information out of an abundance of caution based on information currently available. You may contact me at the phone number listed below if you have questions or want additional information.

Sincerely,
Bob Chronister
