To Whom It may Concern:

This letter is notice that Avis Budget Car Rental, LLC and its subsidiaries ("Company") will be extending the furlough period or implementing permanent layoffs for employees who work at:

Address	Number of Employees Furloughed Indefinitely	Number of Employees Who Will Experience a Permanent Layoff	Total Employees Currently Affected at This Employment Site
16020 Chamberlin Pkwy SE, Fort Myers, FL, 33913	42	0	42

Due to the COVID-19 pandemic, these employees were placed on a partial or full furlough in or around April-June 2020. At that time, the Company fully expected these furloughs to last less than six (6) months. Unfortunately, the financial hardship on the Company caused by the pandemic has not improved to the degree we had hoped by this time. Therefore, the Company has made the difficult decision to extend furloughs for some employees and implement layoffs for others at this work location. Furloughs will continue for until further notice. Layoffs will be permanent.

The continued economic hardship resulting from the COVID-19 pandemic and the negative impact of recently issued Travel Advisories on our car rental business were not reasonably foreseeable earlier, preventing us from making this decision and providing you with this notice sooner. Therefore, we are providing you with this notice as soon as was practicable.

There are not bumping rights at this location. The effected employees are not represented by a union.

We are also giving appropriate notice to the affected workers. Those notices include information about how to contact the State Unemployment Insurance office.
