Re: **Announcement of Layoffs****

Dear Mr. Gustafson:

I am writing on behalf of Brookfield Properties, LLC to give you notice that a mass layoff began at our corporate location at 1000 S. Pine Island Rd. Ste. 800. All affected employees were notified of their layoff on or before July 16, 2020.

This layoff and the timing of notice was necessitated by unforeseeable business circumstances beyond our control. Our business has sustained drastic, unforeseen losses as a result of the COVID-19 pandemic and its impact on our industry and the economy. Brookfield has worked tirelessly to avoid a mass layoff as this crisis has mounted, but circumstances are such that we cannot continue at our current staffing levels. We have determined that we cannot maintain our current staffing levels given (1) the loss of revenue from customer cancellations, (2) the continued negative economic impact to the hotel, resort, and travel industry, and (3) the inability to resume core operations at a determinable time in the near future. As a result, we have made the difficult decision that we must implement a layoff, and, therefore, we are now notifying you and our affected employees.

The attached is a list of the job positions and number of individuals who will be affected by the layoff beginning on September 16, 2020.

There will not be any bumping rights for the affected employees, that is, employees will not be able to displace more junior employees out of their job positions as a result of this mass layoff. The affected employees are not represented by a union.

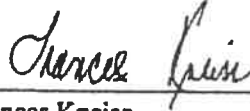

If you have any questions or would like additional information concerning this matter, please contact me via email at Frances.Kneisc@AtlantisParadise.com.
