Re: Notice of Layoffs Pursuant to Federal WARN Act

Dear Commissioner Alpert and Mr. Gustafson:

I am writing on behalf of Dentsply Sirona to provide notice of a permanent layoff at our facilities located in 7290 26th Court E, Sarasota, FL 34243. The layoffs will likely begin on or around October 13, 2020, and continue through the end of the year, December 31, 2020. There will probably be a small number of employees that will remain with the Company until mid-2021 to close down production and address other customer needs.

Dentsply Sirona is a global dental device manufacturer and dental technology company. The unprecedented impact of the global COVID 19 pandemic and the dental industry's transition from traditional orthodontics, manufactured and supported at our Sarasota facilities, to digital and clear aligner orthodontics products, necessitates that DS must further refine its product portfolio. Consequently, the Company has decided to exit the traditional orthodontics market globally, which will result in layoffs at its Sarasota facilities. The Company employs approximately 202 employees in Sarasota and will lay off 86 employees starting in October 2020. Today, all impacted employees have been notified of the upcoming layoff, and the Company will do its best to support the impacted employees during this difficult time. The lists of affected positions are below:

<i>Location</i>	<i>L027-Sarasota, FL, USA</i>
Job Functions	No. of Impacted Employees
Central Functions	11
Supply Chain	75
Grand Total	86
