Re: *WARN Notice for Four Seasons Hotels & Resorts*

To Whom It May Concern:

On March 23, 2020, we sent a letter as notification on behalf of SC Hotel Property LLC (“Four Seasons Hotel & Private Residences at The Surf Club”), that due to the unforeseeable, unanticipated and substantial reduction in business levels resulting from the sudden and widespread impact of an infectious disease pandemic known as Coronavirus Disease 2019 (“COVID-19”), employees at Four Seasons Hotel & Private Residences at The Surf Club, located at 9011 Collins Avenue, Surfside, Florida, 33154, would be furloughed starting about March 23, 2020.

Please accept this letter as notification that due to the continued unforeseeable reduced business levels as a result of COVID-19, employees at the Four Seasons Hotel & Private Residences at The Surf Club will continue to be furloughed. The newly revised end date is expected to be December 1, 2020.

This Notice is provided to you in accordance with the Federal Worker Adjustment Retraining Notification Act, 29 U.S.C. §2101 et. seq. (“WARN Act”). This notice is unfortunately provided less than 60 days before the effective date of the continued furlough. While the WARN Act ordinarily requires 60-days advance notice, due to the rapid spread of the pandemic COVID-19, compliance with such requirement was not possible as the furlough was the result of business

circumstances that were not reasonably foreseeable at the time that notice would have been required. Therefore, this notice is given as soon as practicable under the given circumstances.

A total of 31 individuals who are employed at Four Seasons Hotel & Private Residences at The Surf Club will continue to be furloughed. A list of the job titles of the employees who will be affected by the furlough, and the number of employees with each job title, is attached.

Four Seasons Hotel & Private Residences at The Surf Club intends this furlough to be temporary; however, given the unknown certainty surrounding COVID-19, it possible that this furlough could become permanent. Employees will not have the right to bump any other employees. No employee is covered by a collective bargaining agreement.

You may direct any further inquiries concerning this situation to Priscilla Torres, Learning & Development Manager at priscilla.torres@fourseasons.com.

Sincerely,

Cornelia Samara
