Dear Mr. Gustafson:

The purpose of this notice, which is being issued pursuant to the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. §2101 *et. seq.* ("WARN"), is to inform you that KRS Global Biotechnology, Inc. ("Company") intends to conduct a Mass Layoff at its facility located at 791 Park of Commerce Blvd, Suite 600, Boca Raton, FL 33487. The layoff, upon its completion, will ultimately have resulted in the permanent elimination of 60 jobs. The expected date the Mass Layoff will be completed is November 26, 2019. Due to unforeseeable business circumstances outside of the Company's control which have caused a significant downturn in business and an equally significant loss of business revenue, the Company could not provide any additional notice of this Mass Layoff.

A list of job classifications that will be affected, along with the number of affected employees in each job classification, is enclosed herein. The affected employees are not represented by a union and do not have bumping rights.

Should you require any further information, please contact me, Willie Figueroa, Director of Human Resources of KRS Global Biotechnology, Inc., via telephone: 561-430-2358 or via e-mail [williefigueroa@krsbio.com](mailto:williefigueroa@krsbio.com)

Sincerely,

Willie Figueroa, Director of Human Resources
