This letter is notice that Lexus of North Miami (“Company”) is taking job actions in relation to employees who work at Lexus of North Miami located at 14100 Biscayne Blvd., North Miami, Fl. 33181.

There are 32 employees being permanently terminated at this employment site, which will continue to operate with a reduced staff. The first terminations at this site are expected to occur on September 29, 2029.

As permitted by 20 C.F.R. § 639.7(f), the following additional information is available to you upon request (it is maintained on site and is readily accessible): The anticipated schedule for implementing these job actions (if a schedule applies); the job titles of positions to be affected, and the number of affected employees in each job classification; an indication as to whether or not bumping rights exist; the name of each union representing affected employees, if any; and the name and address of the chief elected officer of each union, if any. This information is available broken down by location if multiple locations are involved.

The information provided in this notice is based on the best information available to us at this time. Whether or not these actions trigger the requirements of the Worker Adjustment and Retraining Notification Act or applicable state law, we thought it appropriate to give you this notice.

We are taking this action because of COVID-19-related business circumstances that were not reasonably foreseeable. We did not foresee how significantly and for how long a time the epidemic and related governmental shelter-in-place orders would impact our business. Nor did we foresee that the shelter-in-place orders, initially issued for short durations in only a few cities, would spread throughout the country and be repeatedly extended. Nor did we foresee that these events would gravely impact our business not merely for a short period, but now for the foreseeable future. We are notifying you of this decision as soon as it was practicable to do so, taking into account the great difficulties we face in projecting staffing needs under these unprecedented circumstances. We would have liked to have given you more advance notice of this action,

but were unable to do so due to these circumstances caused by the novel coronavirus epidemic national disaster and national emergency.

Should you wish further information, please contact Paul Rotmil, Director of Human Resources at (954) 893-8026 with any questions.

Sincerely yours,
/s/Vladimir Keslin
General Manager on
behalf of Lexus of North Miami
