Re: Notice of temporary furloughs in Force at Silver Wings Aerospace, Inc.'s Facility in Princeton, Florida

Dear Mr. Gustafson:

This letter serves to update your office with respect to additional employee actions we have had to take due to the Covid-19 outbreak and updates that certain letter from us to your office dated March 27, 2020, whereby we provided notice of a reduction in workforce, that certain letter from us to your office dated April 27, 2020, whereby we provided notice of temporary furloughs, and that certain letter from us to your office dated May 11, 2020, whereby we provided notice of temporary furloughs.

This letter is to inform you that as a result of unforeseen business circumstances resulting from the sudden and unprecedented effects of the Coronavirus or Covid-19 outbreak ("Coronavirus") on our business, Silver Wings Aerospace, Inc., a Wencor Group, LLC company, will conduct temporary furloughs at its facility located at 25400 SW 140th Avenue, Princeton, FL 33032 ("facility"). We are providing this notice pursuant to the Federal Worker Adjustment and Retraining Notification ("WARN") Act, 29 U.S.C. § 2101.

This is a partial closure of the facility, where the facility will continue to operate with a reduced work force; not all of the employees at the facility will be impacted. This action is anticipated to be temporary.

All employee furloughs in connection with this action are expected to occur on or about the dates indicated in Attachment A. Enclosed is a listing of the job titles of positions to be affected, and the number of affected employees in each job classification. All affected employees have been or will be notified of their furlough dates and that their furlough is anticipated to be temporary.

The affected employees at the facility are not represented by a union.

There are no bumping rights for affected employees.

We apologize that we were unable to provide more advance notice of the action. We are providing this notice as soon as possible in light of the rapidly-developing events surrounding Coronavirus. The speed and vast reach of the coronavirus outbreak, as well as the declarations of states of emergency and directives at the federal, state and local levels, were unforeseeable and are causing, and will continue to cause, among other things, a drastic impact on Wencor Group's business, including but not limited to the partial closure of Wencor Group's facility as described above, creating an uncertain future such that the company does not have alternative work to offer to its affected employees. After reviewing our staffing and business needs, we are providing this notice at the earliest possible time.

We are providing this information out of an abundance of caution based on information currently available. If you have questions or want additional information, please contact me at 770-626-3627.

Sincerely,

A handwritten signature in black ink, appearing to read 'W.S. Morris'.
