Re Announcement of Planned Action

Dear Mr. Gustafson:

As a result of the unforeseeable, dramatic downturn in business and occupancy caused by the coronavirus natural disaster, we are writing to inform you that there will be additional layoffs at the Streamsong Resort located at 1000 Streamsong Drive in Bowling Green, Florida on June 30 2020. This mass layoff is expected to be the temporary. The expected date of the first separation will be June 30, 2020.

All affected employees have been notified of their separation dates and that their separation from employment will be Temporary. Those employees are expected to be separated from employment beginning on June 30, 2020, with all separations accomplished by June 30, 2020.

The attached is a list of the job positions and number of individuals who will be affected by the mass layoff along with the anticipated schedule for job losses.

There will not be any bumping rights for affected employees—that is, employees will not be able to displace more junior employees out of their job positions as a result of this closure.

If you have any questions or want additional information concerning this matter, please contact Richard Mogensen, General Manager, at (863) 344-1020.

Sincerely,

Richard Mogensen

General Manager, Streamsong Resort
