The Boeing Company has made the difficult decision to reduce its workforce. This decision is expected to result in the permanent layoff of approximately 141 employees at the Company's Florida locations. Layoffs are expected to begin on January 17, 2025, for most employees and bumping rights do not exist.

This notice is being voluntarily provided to you in accordance with the Worker Adjustment and Retraining Notification (WARN) Act and any applicable state or local laws, even though such notice may not be legally required.

Additional information regarding these anticipated layoffs will be made available upon request. Please see the current data in the following pages.

Sincerely,

---
