Re: Announcement of Planned Action (Update)

To Whom It May Concern:

In follow up to my letter dated August 9, 2023, I am writing on behalf of vitaCare Prescription Services, Inc. ("vitaCare"). vitaCare is experiencing a further reduction in its workforce at the vitaCare headquarters at 951 Yamato Road, Suite 160, Boca Raton, Florida, as part of a corporate restructuring. This layoff is expected to be permanent.

Approximately 126 employees were notified today that they have been selected for layoff and that they will be separated after being provided 60 days' advance notice and are being informed that their separation will be permanent.

vitaCare does not have a union representative. vitaCare also does not have a "job bumping" system or seniority system, meaning that more senior employees will not be able to displace more junior employees out of their job positions as a result of this layoff. The following additional information is available to you upon request (it is maintained on site and is readily accessible): The job titles of positions to be affected and the number of affected employees in each job classification. This information is available broken down by location.

If you have any questions or would like additional information, please contact me at (617) 462-2954 or emily.nelson@goodrx.com.

Sincerely,

Emily J. Nelson
